

★ Personal Achievement Academy ★

SPECIAL ANNOUNCEMENT

We are excited to introduce a special character development program for all of the students. It is called the Personal Achievement Academy. Every month you will receive a Personal Achievement Academy handout. This handout is an incredible tool for educating yourself and your family on important Life Skills.

The hand out has special weekly lessons and cool missions the students can do. These missions are the key to helping the students develop positive life changing success habits. They are fun and the students earn points for each mission they accomplish.

Students will turn their Personal Achievement Academy forms into the baskets in front of the office the last week of each month. Students are recognized by earning a special prize each month. When the student turns in 3 handouts they will earn a star to wear on the lapel of their uniform. When the student has earned 4 stars they will earn a patch to put on their uniform.

PARENTS

Readers are Leaders! We recommend reading the lessons of the week and reviewing the missions together at bed time and at dinner time 2-3 times per week. This will make a tremendous impact on your children and the future of their success. This is a fun family activity that will benefit your family greatly.

PERSONAL ACHIEVEMENT ACADEMY

LEADERSHIP SKILLS

My charisma, knowledge, and enthusiasm inspires others to be their best through my courageous acts of honor and respect

CHARACTER DEVELOPMENT

I am sincere, respectful, well-mannered, and a trustworthy friend who stays true to my morals

MARTIAL ARTS ATHLETE

I train hard and eat healthy to become fast, powerful, agile, and flexible

KNOWLEDGE IS POWER

I focus and study passionately to educate myself and become skilled in many subjects
